SUBJECT: **Inclement Weather Information 2024-25**

As we approach the winter season, it is important to know how you will be notified if there is a schedule change for CASA Charter School. The decision whether to open school on time, operate on a delayed schedule, or to close for the day is a difficult one. There are many factors to consider when changing the schedule for the day, and we have students from over 30 different districts with many traveling long distances to get to our School.

Please know that when I make any decision, student safety is my number one priority. If there is a change in the schedule (closing, delay, etc.) the following notification methods will be used.

*Announcement on www.casa-arts.org and on the CASA Facebook/Instagram pages

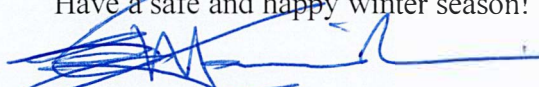

*Email

*Television – WGAL (NBC) Channel 8, WHTM (ABC) Channel 27, WHP (CBS) Channel 21, WITF (PBS), and WPMT (FOX) Channel 43

IMPORTANT:

- **If a student's home school district is closed due to weather, and CASA is open, the district WILL NOT provide transportation.**
- **If a student's home school district is operating on a 2-hour delay schedule and CASA is not, the district WILL transport students to CASA on the district's delayed schedule.**
- **If CASA has a delay and the home district does not, the district WILL NOT provide transportation on CASA's delayed schedule.**
- **If a student cannot find transportation because of a district provided transportation closing or CASA delay, please call the CASA office to report their excused absence.**

Have a safe and happy winter season!
