

Q1 CAOLA Benchmarks

Benchmarks will be checked by your assigned CAOLA monitor on the dates listed below. Edison courses will be checked weekly. eDynamic courses will be checked and use the Calendar feature to determine progress. If you are at the pacing percentage listed next to the date on the chart AND have a minimum grade of 70% at the time, you will receive one (1) percentage point added to your final grade at the end of the quarter and/or semester. If you do not meet the benchmark, you will not be penalized, but cannot have another chance to earn that benchmark. You can attempt to earn the next benchmark point on the next date.

Benchmark Due Date	Percentage Completed
Monday, September 11th	20%
Friday, September 22nd	40%
Thursday, October 5th	60%
Thursday, October 19th	80%

**Edison course part due Wednesday, November 1st by 11:59 PM!
eDynamic courses are due at the end of the semester.**
